Prepaid System

New to the club? You may be interested in our Prepaid System.

It is simple to join, we just need your name, ABF number and your email address so we can send you a detailed statement at the end of each month, with your starting balance and ending balance so you can track all sessions played.

When your balance is getting low, the director in your session will ask you to top up or simply go to the director's desk and ask to top up. You can pay a set amount or just what you think you will use over the next month.

Being part of the prepaid system, we give you 5% off all regular sessions played. Just write 'PP' on your table money envelope and the rest is taken care of for you.

Relax and enjoy your bridge.
