2020 AGM Election Results

New NSBC 2020 Committee	
President	David Fryda
Vice President	David Hudson
Secretary	David Hagley
Treasurer	Les Grewcock
Committee	Maryann Russett
Committee	Graham Murray
Committee	Elana Kohn

2020 NSBC Committee

The only contested committee position was that of Vice President, and David Hudson was voted in electronically by the members. That left a vacancy for a committee member,

Covid-19 News	22

and as Maryann Russett was the sole candidate she was automatically appointed.

President David Fryda

The role of president was not contested, so on behalf of all NSBC members we would like to wish David well, and thank him for taking on this task during these trying times.

Vice President David Hudson

This was a contested position with John Mottram. David, who was previously a committee member, was elected by the members by electronic voting.

Hon Treasurer Les Grewcock

Les continues as our treasurer. He has been in this position for several years.

Hon Secretary David Hagley

David continues in the position of secretary which he has held for the past two years.

Committee 1 Maryann Russett

Maryann is a new member to join the NSBC committee and we would like to welcome her and wish her all the best as our new committee member.

Committee 2 Elana Kohn

Elana has been on the committee for several years and will continue in her position.

Committee 3 Graham Murray

Graham has been vice president of NSBC for several years, he will continue to give his support to the NSBC as a committee member.

AGM Discussion Topics

- A. Changes to the Club's Constitution were voted for and accepted. These are to permit future meetings to be held at two or more venues using technology and to also allow electronic ballots.
- B. The club's finances have not significantly declined, with the support of Members' (donations) and Governments' (Job Keeper).
- C. We are unlikely to be able to restart face to face bridge in the immediate future. The risks for the club, staff & members with COVID are too great. A couple of private clubs have restarted, but attendance is

extremely low. For now, we will continue to play bridge on the BBO platform.

- D. Our hard-working manager Mike has been providing numerous BBO sessions. These are currently satisfying player demand and will continue as free sessions
- E. Accommodation @ EL: It was confirmed that East Lindfield will remain a key club venue.
- F. Accommodation @ CW: The site will undergo major building works & restricted parking over the next 4-6 years. The existing building is in poor condition.
- G. Possibility at Help St: A likely new venue is being investigated at Chatswood, near the railway station & bus hub. This is likely to be on a lease (5+5), allowing possible relocation back to a completed Club Willoughby function rooms if desired.
- H. Parking is an issue, with limited available at the proposed site (likely reserved for disabled), but only short walks from existing parking stations (many offering 3Hrs free and options for 4Hrs).
- I. Consultants are being engaged in support of change-of-use and occupancy requirements for this office building site.
- J. David Fryda highlighted and thanked **John Mottram** (retiring NSBC President) for his contribution and commitment to the club.
- K. He also thanked all club staff for adapting and helping with the changed COVID-19 environment and spoke in glowing terms about club's Manager Mike Prescott's performance.

THE
BRIDGE SHOP
15% OFF
for NSBC members

The Bridge Shop has partnered with the North Shore Bridge Club and we are delighted to offer all club members a 15% discount.

We welcome you to drop into our store at 182 Penshurst Street Willoughby or redeem your discount by using the code **NS15** at checkout on our web site.

**NSBC New
2020 President**

David Fryda

Dear Members,

Thank you for giving me the opportunity to play this important role in our club's administration. I recognise that I was elected unopposed to this position. However, please rest assured that I know I am accountable to all of you for carrying out my responsibilities with the highest integrity. At any time during my tenure I would encourage all of you to hold me to task if you feel I am not steering the club in what you believe is the right direction.

This year has been an extremely challenging one for all of us and for any of you who may have been directly affected by the coronavirus my thoughts are with you. Personally, I have so far been fortunate not to be impacted above and beyond any other member of the general public. As a passionate bridge player, I have, of course, been impacted. I miss the experience of playing at our club, other clubs, congresses and tournaments and I am eager in anticipation of returning to play "in person". However, I am also, like many, anxious not to put my health or the health of others at risk by participating in an activity where social distancing is exceedingly difficult.

At our AGM on the weekend, those of us who assembled in person for the event naturally found ourselves mingling. The appointed COVID marshal correctly advised us that this was not to be done, but in the process, I was quickly reminded of how a bridge club environment does not lend itself to the safe practices we are all being urged to uphold. Hence, when questions were being asked about when we would be returning to face-to-face bridge it further reinforced to me that one of the priorities for the incoming committee is to prepare our club for the "new normal" of bridge in the post-pandemic world. We will need to consider the safety of our staff, members, and visitors very carefully. We will also need to ensure that we are able to provide access to bridge games for all our

members who wish to participate. As the country's largest bridge club by membership, the scale of the challenge is different to those small clubs with ample space to accommodate the demand of their members wishing to play. We certainly do want to avoid disappointing our members by having to post "HOUSE FULL" signs.

Your incoming committee's other top priority is of course premises. As was explained at the AGM, the Willoughby Club redevelopment which we expect will take place over an extended (up to five year) timeframe, means that we need to find new premises. Playing bridge in a construction site is just not viable. We have been exploring countless alternatives. We are currently working on a submission to Willoughby Council to occupy part of an office building in Help Street in Chatswood. Gaining approval is a complex and time-consuming process and we have engaged a Planning Consultant to assist. Unfortunately, the outcome is by no means a foregone conclusion. Please be assured that your Committee understands the things that are important to you, our members. Unfortunately, the reality is there will likely be some aspects of wherever we select that will not be popular with some members.

I would also like to take this opportunity to thank you all for your generous donations over recent months. For a range of reasons, we elected to provide all members with access to online bridge without implementing a pay-to-play model. Our wonderful staff have embraced learning how to run bridge games and lessons online. Job Keeper has helped us to support and retain our staff. However, we still have ongoing costs of operating without any income. Your support through donations helps us to address this and I urge you all to continue to donate regularly until we can again re-open our doors.

Once again, thank you for allowing me this opportunity. I am a member of a committee with people who really care about the future of your club and I am looking forward to working with them and supporting you.

**Mike Prescott**

NSBC Manager's Message

Changes to NSBC BBO tournaments starting
Thursday 6th August

1. Monday and Wednesday morning 10.00am Restricted session will now become a combined **"Rookie and Restricted"** - the same as Thursday, Friday, and Saturday. We are trying to get more players joining in these sessions. If we fail to build them up, we will cancel the Monday and Wednesday morning sessions, so please join in, and support these time slots.
2. As a trial the morning open sessions will be run as un-clocked, with the time set at a **faster 18 minutes (6 min/Board)**. This way you will get to complete your boards. This is a trial to see how it goes.
3. Registrations will now be available for all sessions, two hours before the session start times. (Open Morning 10.00am registration from 8.00am; the 1.30pm session registration from 11.30am)

Donations

We (NSBC) decided to continue to run **"Free BBO Sessions"** for members, with financial support being obtained by asking for donations to keep the club running.

The alternative that has not been used, was to use the ABF user pays virtual club system. Here BBO charges are paid on entry (fees are in \$BBO dollars (equivalent to 1 \$US), which you must pre-buy prior to any session you play in), but with a percentage of these entry fees being returned to club coffers via the ABF arrangement.

Links for Donations

Please continue to donate to the club as we have many costs to keep things running. Pre-Paid players can email to the club, with ABF number and how much you wish to donate. Or click link below to donate.

<https://www.northshore.bridge-club.org/payments-with-cart>

Kind regards

Mike and the NSBC team 0435 528 872

Challenge Hand 1

North ♠ AT532 ♥ 53 ♦ A84 ♣ Q32	Match points EW Vul , Dealer South West will overcall a vulnerable 2♥
South (D) ♠ KQJ74 ♥ A ♦ Q53 ♣ AKT9	Can you bid these hands to the best match point contract?

Challenge Hand 2

North ♠ 7 ♥ AQ65 ♦ J8 ♣ K98542	Teams match vs Newcastle EW Vulnerable
South (D) ♠ AQJ965 ♥ - ♦ KQ97542 ♣ -	If South opens at 1 level, West will bid 1NT (15-18 balanced) with a stopper Suggest your bidding to your best spot.

NSW State Veterans Pairs on BBO - results

The first BBO based NSW state tournament was run in July over 3 sessions. The winners and best placed NSBC members were:

Final Rank	BBO - NSW STATE Vet Pairs (29T) Overall Winners	%
1	Robert Krochmalik - Paul Lavings	190.59
2	Dennis Watkins - Roger Conway	181.08
3	Susie Berger - Tony Bond	178.2
5	Pat O'Connor - Kay O'Connor	170.4
7	Elliott Kaplan - Mannie Ichilcik	168.88
9	Judy Marks - Adam Rutkowski	165.65
10	George Bilski - Nicky Strasser	165.64

PRESS RELEASE 31st July 2020 Funbridge and **BBO** wish to emphasise their policy regarding zero tolerance of **bad behaviour and cheating** by participants playing bridge online at their sites. Both organisations strive daily to prevent and detect cheating.

Considerable human and IT resources have been deployed to this end. Both organisations are also working with the World Bridge Federation and all National Bridge Organisations to stamp out any form of cheating, any behaviour contrary to normal, accepted standards or anything that may affect the running of the game. Conditions and Regulations are published on both sites and all participants are encouraged to read them and commit to abiding by them.

Breaches of acceptable behaviour or cheating will be dealt with by the online provider initially and, particularly in the case of cheating, referred for further action as deemed appropriate. "We like this game too much to let a few alter its nature by cheating. We are intransigent on the issue." Olivier Comte - 52 Entertainment President.

2020 Sydney Spring Nationals Cancelled

Considering the present situation of community transmission of the COVID-19 virus the 2020 Spring Nationals are cancelled.

2021 Gold Coast Congress Cancelled

- International travel without isolation will not happen till late 2021 if not 2022
- The age group of participants is predominantly over 70
- The GCCEC only allowing 60% of participants in the room space even after special dispensation from the Government to allow more participants than other venues. This would mean having the same room but with fewer people
- A survey to current participants had over 10% saying that they would not attend regardless, 3.7% would not attend until a vaccine is available and 2.8 sitting on the fence and just waiting.
- Covid-19 has not gone away yet
- Domestic travel may not be available to its pre-pandemic extent
- Our sponsors may no longer be able to commit.

The GCCEC has been notified that the QBA WOULD NOT be hosting the 2021 Gold Coast Congress.

Trump Techniques

By Pat O'Connor

Standard or 2/1 Bidding				
North	West	North	East	South (D)
♠ A9542				1♥
♥ 6				
♦ AQT85	Pass	1♠	Pass	2♦
♣ 96	Pass	4♦	Pass	5♦
Bidding Notes				
South (D)	1♥	5♥ Good 55 promoted Opening		
♠ 3	Pass	Happy if they play in ♥		
♥ AQ543	1♠	6+hcp 4+♠		
♦ KJ976	Pass	Happy if they play in ♠		
♣ 83	2♦	Second Suit		
	4♦	Good Raise		
	5♦	Try Game		

West leads the ♠A then the ♠K and switches to the ♦3 at trick three to reduce your ruffing power. You play the ♦5 from dummy, East plays the ♦2 and you win in hand with the ♦6.

What next?

Analysis

Counting losers, you have already lost two in clubs and you have four in hearts. You may be able to set up the heart suit by ruffing some heart losers in dummy, but you would need a friendly heart distribution.

The only outstanding trump still held by the opponents is the lowly four. Should you draw it and start ruffing hearts in dummy?

Is there some other way to play the hand?

The Full Deal

North		
♠ A9542	♥ 6	♠ KQJ76
♥ KT972	♦ AQT85	♥ J8
♦ 3	♣ 96	♦ 42
♣ AKT42	♠ 3	♣ QJ75
South (D)		
5♦/S	♥ AQ543	Vul nil
Lead ♠A	♦ KJ976	Dir: S
	♣ 83	

This is the time for a special type of play – a crossruff.

South is short of spades and North is short of hearts. The aim of a crossruff is to take your trumps separately. This is how it works:

As a general principle, in a crossruff it is important to cash your side winners first because if you leave them until later, they may be ruffed. So, cash the ♠A and the ♥A. The lead will be in your hand. Lead a heart and ruff it in dummy. The lead is now in dummy, so lead a spade and trump it in your hand. Ruff another heart in dummy and another spade in hand, continuing this way until you have made all the tricks! You managed to ruff four hearts in dummy and four spades in hand. Add the ♠A and the ♥A and the diamond you won at trick 3 and that comes to eleven tricks.

We have ignored the outstanding trump – the ♦4. East can play it at any time, but it will not beat your trumps, which are all higher than the four. Note that it would be a mistake to draw the ♦4 before embarking on the crossruff because you would then only be able to ruff three times in each hand and would end up one trick short.

Key Point

When you have trump length in both your hand and dummy, and shortness in two side suits, consider a crossruff.

Timing of the play to maximise your chances

Adapted from an **Eddie Kantar** article from the ACBL Bridge feed website.

Timing the play

North	Standard or 2/1 Bidding			
♠ KJ3	West	North	East	S (D)
♥ K764				2♣
♦ AJ2	Pass	2♦	Pass	2NT
♣ 743	Pass	3♣	Pass	3♦
	Pass	6NT	All Pass	
South (D)	Bidding Notes			
♠ AQ2	2♣	GF opening (22+)		
♥ A52	2♦	Waiting Bid		
♦ KQ87	2NT	22-24 Balance		
♣ AKJ	3C	Stayman		
	3♦	No 4 card Major		
	6NT	Practical 34+ HCP		

Bidding

You (South) open a game-force 2♣, and rebid 2NT (showing 22 to 24 HCP) after partner's 2♦ 'waiting bid' response. Partner then checks major holdings by a stayman bid 3♣, but discovers you have no 4 major (my 3♦ bid). Partner then just boosts you to 6NT knowing of at least 34-36 HCP between the two hands. The opening lead is the ♠T. Plan the play.

Preliminary analysis:

Winners = 3x♠+2x♥+4x♦+2x♣=11

Losers: = No top losers

You have 11 top tricks with two clear chances for a 12th trick & your contract:

- If the Hearts break 3-3 (a 36% chance)
- Finesse ♠Q hopefully with East (a 50% chance)

Solution:

You should try setting up an extra trick in the longer suit (hearts) first, is best because if the suit does not break 3-3, you are still alive, and can then take the club finesse. You combine both chances as the best solution.

The combined plan, therefore, is to first duck a heart and then test hearts by cashing ♥AK.

- T1 West leads ♠T which you win in hand with the ♠Q, both EW follow.
- T2 Declarer now leads the ♥2 to the ♥4, which east likely wins
- T3 Declarer wins whatever suit that East exits
- T45 Declarer then cashes the ♥A, and then the ♥K in dummy. He is rewarded with the hearts being 33 and claims as you have the high 13th heart and 12 tricks and will not need the club finesse.

If hearts do not break 33, you are still alive and then you must take the club finesse for contract. Your chances for the combined strategy success have improved to about 68%.

For the technically minded:

Success = 3-3 Break% + (50% x Non break%)
Success = 36% + (50% x 64%) = 68%

The technique of ducking a heart and then playing the ♥AK is far superior to playing the ♥AK and then a heart to see if they divide 3-3 for two reasons:

- You retain control of the suit if they break poorly 4-2 so you can still take the club finesse.
- If hearts are 4-2, the opponents can take two heart tricks in which case you never do get a chance to take a club finesse (after cashing the club ace beforehand in case of a singleton queen).

The full deal:

North		
♠ KJ3	♥ K764	♠ 754
♦ AJ2	♣ 743	♥ QJ9
♣ 743		♦ 964
South (D)		
♠ AQ2	♥ A52	♠ T862
♦ KQ87	♣ AKJ	
♣ AKJ		
6NT/S		Vul nil
Lead ♠T		Dlr: N

Here it is vital to duck a heart trick. On this hand your club position is safe from an immediate attack, so you have time to test the hearts while keeping control of the suit.

New Player Team

			
Kay	Liz	Kim	Sue
			
Jenny	Sandra	Alan	June

There is a lot on offer to help our newer players to keep improving their game.

For our supervised players we are now offering a day-time game and an evening game. Supervisors are available to answer questions on bidding and play. Later in the week the supervised players receive some written feedback on a topic that came up frequently in the games that week, for example NT rebids.

BBO Supervised Session Results

Date	NSBC Event	T	Late July Supervised Winners	Score

29-Jul	T Supervised 10:30am	6	Sue Dickinson & Sharon Thompson	74%
Date	NSBC Event	T	August Supervised Winners	Score
3-Aug	M Supervised 7pm	5	Peter O'Donnell & Mark Field	65%
4-Aug	T Supervised 10:30am	6	Jacqui Lowe & Diana Moore	74%
10-Aug	M Supervised 7pm	5	Des Cohen & Hilton Rosenthal	64%
11-Aug	T Supervised 10:30am	5	Beverley Piper & Trish Dunicliff	68%
17-Aug	M Supervised 7pm	5	Judy Gleeson & Louise James	64%
18-Aug	T Supervised 10:30am	6	Neil Edwards & Marina Shteyman	80%

For our rookie players we now have games available Monday through Saturday during the day, and an evening game on a Tuesday.

We also have a half-hour pregame talk on Tuesdays and Wednesdays, and full lessons Wednesday through Friday.

Times of all the games can be found on our website at:

<https://www.northshore.bridge-club.org/node/1231>

Responding to pre-empts - to make life even more difficult for the opponents

The principle is the same whether responding to an overcall, a Weak Two opener, a Weak Three opener or a Weak Jump Overcall. Holding a weak hand with support, work out how many cards are held by the partnership and bid for that number of tricks. It is termed bidding to the level of the fit and it is a winning competitive bidding strategy — because of the Law of Total Tricks (more in another edition). A word about Weak Jump Overcalls. Say an opponent opens 1♣. If you jump to 2♥, you are showing a hand which would have opened (a Weak) 2♥; if you jump to 3♥, you are showing a hand which would have opened 3♥. Simple and highly effective.

Back to responding to the level of the fit. Say partner opens (or indeed makes a Weak Jump overcall of) 3♦, showing a 7-card suit. **How should you respond with these hands?**

Hand 1 ♠ 982 ♥ 7 ♦ QJ82 ♣ A9432	With this hand, bid 5♦ . There is an 11-card diamond fit, so bid for 11 tricks. You would do this non-vulnerable or vulnerable. But if your shape were duller (flat), making two of your clubs into hearts, you would be wise to settle for 4♦ if vulnerable.
Hand 2 ♠ AJ3 ♥ 62 ♦ KJ4 ♣ 98762	With this hand, raise to 4♦ , the (ten-card) level of the fit. Your opponents will now have to guess what to do at an uncomfortably high level.
Hand 3 ♠ KJ82 ♥ QJ3 ♦ 942 ♣ QJ3	With this hand, you need to use your nous, because of the defensive nature of your hand together with the flat shape. If you bid 4♦ , the level of the fit, and the opponents may double you, and you could lose a lot of tricks and there is no guarantee the opponents are making a game. The wise action here is to take no action and just Pass .

Always remember that the level of the fit is a guide, not a gospel.

Anita

Jessica

In 2020, our development teachers are Anita Curtis and Jessica Brake.

Build on the Basics is for people who are returning to bridge after a long break or who have completed Beginners and have played for 3-6 months. The normal Build on the Basics lessons are now split into 2: Wednesdays & Thursdays at 10am for approximately 1 hour each session on Zoom/BBO.

Dates	Build on Basics - Lesson Topic	Wed 10am AND Thurs 10am
Wed Aug 26	Week 4	Focus on Defence in NTs
Thur Aug 27		
Wed Sep 2	Week 5	Supporting partner
Thur Sep 3		
Wed Sep 9	Week 6	Now what do I do?
Thur Sep 10		
Wed Sep 16	Week 7	Oh No, I'm in the wrong hand!
Thur Sep 17		
Wed Sep 23	Week 8	Sorry Partner, I can't support you!
Thur Sep 24		
Wed Sep 30	Week 9	Responder's NT Bids
Thur Oct 1		

Develop Your Skills (DYS) with Anita is for players who have completed the "Build on the Basics" course or who have been playing for approximately one year. These lessons extend knowledge in bidding and play and prepare players to move to the Rookie level. They are held via Zoom/BBO sessions on Thursday afternoons at 2pm.

Date	Anita Curtis Thursday afternoon @ 2:00pm
Develop your skills - Lesson Topic	
Thur Aug 27	I CAN support you but not now! (The Canberra Convention – delayed support)
Thur Sep 3	Managing entries (Declarer play)
Thur Sep 10	Let's get into the bidding (Weak jump overcalls)
Thur Sep 17	Whose hand is it? (Competitive bidding)
Thur Sep 24	Hand analysis 1
Thur Oct 1	Signalling is Legal

Broaden Your Game/Intermediate with Anita is a set of lessons for intermediate players with typically 3 years of Bridge experience. It follows on from Develop Your Skills.

The lessons are held over Zoom video on **Friday mornings** at 10am.

Date	Anita Curtis Friday morning @ 10am
Broaden your game/Intermediate - Lesson Topic	
Fri Aug 28	Gentle Hand Analysis 20 for intermediate players to improve all skills
Fri Sep 4	Advancer & competitive bidding. This is for ADVANCED players who want to raise their competitive bidding skills to the next level.
Fri Sep 11	Eddie Kantar Hand Analysis – challenging hands from an expert!
Fri Sep 18	Establish your side suit – improve your declarer play by practising how to set up your side suit (in suit contracts)
Fri Sep 25	Gentle Hand Analysis 21 for intermediate players to improve all skills
Fri Oct 2	Fourth Suit Forcing part 2 – going to slam (Continues from part 1). 4SF is a wonderful tool if you are interested in slam. Bidding only session.

A new monthly session on Friday afternoons for gentle hand analysis fans.

Date	Anita Curtis Friday Afternoons @ 2pm
Gentle hand analysis once a month	
Fri Sep 11	Gentle Hand Analysis 11 for anyone who wants to improve all their skills
Fri Oct 9	Gentle Hand Analysis 12 for anyone who wants to improve all their skills

Larry Cohen

Tips on Fourth Seat Openings

After Pass-Pass-Pass, there are some items to consider such as:

Fourth-seat weak two-bids

The normal range for a weak two-bid is about 6-10 HCP. But, after three passes, surely you would not open the bidding with 6 points (nor 7, 8, or 9). Really, the range for a 4th-seat weak two should be about 10-14.

After three passes, I would be happy to open 2♠ with: ♠KQT965 ♥K3 ♦98 ♣KJ5. This combines pre-emption with description. Of course, you cannot open this hand 2♠ in any other seat, because it is too strong.

Three-level pre-empts in fourth seat also show close to opening-bid values and 7 card suits.

Rule of 15

The “book” rule on whether to open with a one-level bid in 4th seat says to add your HCP to your number of spades. If the total is 15, open the bidding. If less than 15, pass it out.

The theory is that it will be a part score battle, and if your side does not have enough of the high-ranking spade suit, you could easily lose the battle.

So, you would pass out this hand:

♠4 ♥KJ54 ♦KJ87 ♣K987 (11 HCP+1♠=12)

but open this hand:

♠KQT92 ♥AJ4 ♦876 ♣53 (10 HCP+5♠s=15).

Drury

When you open in 4th seat, you are often on the light side. If you open 1♠ with

♠KQT92 ♥AJ4 ♦876 ♣53, you do not want partner to get too excited. Say that he has a good hand with game interest

♠AJ5 ♥76 ♦J42 ♣AJ872.

You would not want to get too high opposite that hand (8 tricks are the limit). The responder is too strong for 2♠, but rather than bid 3♠ or a 3♥ Bergen, he can bid an artificial 2♣ bid (Drury) to say he has a limit raise (it is just a coincidence that this example contains a club suit. The Drury 2♣ bid says nothing about clubs. Playing modern Drury, the opener would then rebid 2♠ to say he is not interested in game and the partnership stops safely on the two level. (Technically, this is called “Reverse Drury”, but it is the way “everyone” plays it today.) Drury is also often used after 3rd-seat openings (also potentially light).

CRIFS

Now, forget the Rule of 15 for deciding whether to open or pass out the deal in fourth seat. I prefer CRIFS- “Cohen’s Rule in Fourth Seat.” Any time it is borderline (like 10, 11, 12 HCP), evaluate your opponents! Yes, I am serious.

If you are playing against Jeff Meckstroth and Eric Rodwell (or the best pair at your local duplicate game), then pass it out. You will likely get a middle Matchpoint score/result. Who needs to open and then do battle with an expert pair who will fight hard for the part score and play or defend well?

Conversely, if you look up at your opponents and see Schlemiel and Schlimazel (the worst pair), then open the bidding. You can push them around in the auction and will get an extra trick or two in the play/defence. You rate to go plus—so do not pass the board out.

Please do not tell your opponent’s why you opened that 10-count in fourth seat (I do not want them to know what we think of their game).

The difference between play in Matchpoints & IMPS

Adapted from an **Eddie Kantar** article from the ACBL Bridge feed site.

There are many hands where more than one line of play exists to try and make your contract. If you select the best percentage line(s) your chances of making the hand increase, but if you do not, you will often struggle.

But why make the worst of it? The idea is to take the line of play, which if it does not work, still allows you to take the other line, and there may even be a third line! This is called 'staying alive'. In *other* words, avoid putting all your eggs in one basket!

North	Standard or 2/1 Bidding

♦ A64				
♣ AQJT4				

You (south) decide to treat your hand as worth 15 points (look at those clubs) and open 1NT. Partner raises you to 3NT and you wind up playing the hand from the wrong side. Hopefully, partner will not count your points.

- T1 West leads the ♥J. You try the ♥Q, but no luck East wins the ♥K.
T2 East returns the ♥8 to dummy's ♥A
T3 You lead a ♣2 to the ♣Q and it wins.

Plan the play from here.

You need five clubs' tricks to make the contract and it looks like East has the needed king.

Option-A

One possibility is to cash three spades discarding a diamond and repeat the club finesse. If East has Kx or Kxx you score five club tricks or **10 tricks in all**.

Option-B

But what if East has four clubs headed by the king? In that case you will need **two additional** dummy entries to take two more club finesses. The safest way to take five club tricks is to **overtake** the ♠K, take a second club finesse, and assuming if West shows out, cross to the ♠Q and take a third club finesse. You wind up with nine tricks (and a grateful partner). Five clubs, two spades and two red aces.

This hand is one of many that illustrate the difference between IMP and Matchpoint play on the hand strategy.

At **IMPs** you do not worry that much about overtricks because your primary concern is making your contract with minimum risk. Hence option B is preferred at IMPS

At **Matchpoints** although, you often risk the contract for the sake of an overtrick (or two) providing the odds favour the risk. In this case the odds favour the risk. It is far more likely that East has two or three clubs headed by the king than four clubs headed by the king. At Matchpoints, cash three spades and repeat the club finesse just one last time.

The full deal, you would have gone down at Matchpoints using play option-A

♠ A8642	2♣	Stayman		
♥ A3	2♣	4+♠		
♦ KQ8	4♣	To play		
♣ KJ4				

Bidding

You (South) open 1NT (15-17 balanced), even with your 5-card spade suit as the best description of the hand. Partner used the Stayman convention and you showed your 4 spades and you are quickly placed into a 4♣ contract.

West leads the ♥J. Plan the play.

Preliminary Analysis

Winners: 4-5♠+1♥+5♦=11 Looks Ok
 Losers: ♣A+♥T+ maybe deep ♠ and 2nd ♣

Strategy Easy if trumps are 2-2 or ♥K onside. If not keep East off lead.

Before playing to trick one, declarer paused to form a plan. He correctly assessed that the main danger to the contract was from East ever gaining the lead and switching to clubs. If South had a trump loser, he would have to best guess the club position to make the contract. He could also lose four tricks if West had both the ♠A and the ♠Q.

Solution

The best aim (safety play) was to play to stop East from ever gaining the lead. So,

T1 Declarer played low from dummy ♥4 at trick one and allowed West's lead, the

♥J to win the first trick. East encouraging.

T2 Then winning the heart continuation ♥7, ♥Q, ♥K with the ♥A,

T3 Declarer was about to play the ♠A when he thought of an extra small chance: A singleton ♠Q with West. With that in mind, declarer led a low trump ♠2 at trick three and was rewarded when the ♠Q appeared. Putting his plan into action, declarer ducked low ♠3 from dummy with East contributing ♠7.

T4 West knew from the opening bid that declarer had to hold both the ♦K and ♦Q, so West exited with a high diamond (do not like) ♦7, which declarer won in hand.

T5-6 Declarer now quickly drew all the outstanding trumps with the ♠A and ♠K.

Declarer then claimed 10 tricks for his contract: four trumps, a heart and five diamonds.

The full deal:

South		
4♠/S	♠ A8642	Vul EW Dir: E
Lead ♥J	♥ A3	
	♦ KQ8	
	♣ KJ4	

You should note, that if you do not find both safety plays, your contract will go down!

- If you quickly cover the ♥J lead, you create a possible entry for West (if trumps 3-1 break) to cross over to the East hand for a club switch
- If you quickly cash the ♠AK, you create a trump entry to the East hand on a (1-3 break) will hold the high trump and can switch clubs.

Whilst both safety plays are routine in teams bridge (IMPS scoring), in match point pairs you will often take more aggressive plays as over tricks are gold!

On this hand in a Pairs competition (match points) several Pairs will go down. In a teams' competition (IMPs) no pair should go down.

Get Out of the Way

North (D)	Standard or 2/1 Bidding			
♠ Q64	West	North (D)	East	South
♥ 875		1♣	Pass	1♠
♦ AKQ	2♥	X	Pass	4♠
♣ JT52	All Pass			
	Bidding Notes			
South	1♣	Normal Opening 12hcp		
♠ AKJ73	1♠	6+hcp, 4+♠		
♥ Q	2♥	Vulnerable overcall		
♦ JT986	X	Support X, shows 3♠		
♣ K3	4♠	Game bid		

Bidding

Your partner opened the bidding with a prepared 1♣, you bid 1♠, and his double of the West 2♥ overall was a "Support Double" (showing a three-card spade support), so you bid the normal game in a 4♠ contract.

West starts with the ♥A lead, then continuing with the ♥K. What is your plan for making this 4♠ contract?

Preliminary Analysis

Winners: 5x♠+5x♦ = 10 Good

Losers: 1x♥+1x♣+ 2nd ♠ if ♠A is over ♠K

- T1 West lead the ♥A, East encouraging, and you drop your singleton ♥Q
- T2 West continues with the ♥K, East showing even number of hearts, and you South ruff with the ♠3

It appeared West was attempting to weaken declarer's long trump holding. Declarer saw that if spades were 3-2, he would have an easy 10 tricks: five each in spades and diamonds. In that case, after ruffing the second heart and drawing trumps, declarer would cash dummy's diamonds and try for an overtrick by leading a club. Alas, this was not to be.

- T3 ♠A seeing that all followed ♠2, ♠4, ♠5 to the first trump lead
- T4 Declarer played a low trump ♠7, West ♠8, to dummy's ♠Q. The **bad news** came when East discarded a heart ♥9. The 4-1 trump break was a nuisance because he could not draw the rest of the trumps without losing control.

Revised Solution

If he did draw trumps, he could do no better than cash the three high diamond tricks in dummy, and then lead a club towards ♠Kx. The West would more than likely with his vulnerable overcall, would then take the ♠A and cashed three more tricks (hearts and possibly ♣Q) for a contract defeat.

With that in mind, declarer abandoned trumps for the moment to cash dummy's top two diamonds.

- T5-6 Declarer cashed ♦AK and was relieved to see that West had at least two diamonds as all followed.
- T7 Declarer now switched back to trumps leading ♠6 back to his ♠K
- T8 Drew West's remaining trump with the ♠J. But carefully discarded the ♦Q from dummy which was blocking communications between hands.

Declarer had taken seven tricks already and was then able to claim three more high diamond tricks in hand to make his contract.

♥ JT73	1♥	Better Major		
♦ 632	2♦	Longer D		
♣ 743	4♥	Game - should have a play		

You are south, playing in a team's match, and West opens 1♦, your partner with 21hcp and diamond shortage, doubles for takeout. You squeak 1♥ (your best Major). West rebids 2♦ and your partner flies into a game in 4♥, which gets passed out.

- T1 West leads the ♦K (Count request) against your 4♥ game. East showed odd number of diamonds.
- T2 When it held, West continued with the ♦Q.

How will you get to 10 tricks? The auction was the same at both tables. The opening lead and continuation were also the same

Preliminary Analysis

Winners: 4-5x♥+1♠+3x♣=8 2 short

Losers: 1♦ (cached) + 1-2 ♠, maybe ♥Q

Strategies to make 10 tricks

- Need to get the Spades going
- Ruff another ♦ in Dummy
- Get to hand and make some ♠ finesses. One if both the ♠KQ are in West hand, else need 2 finesses.

Solution at your Table

- T2 You as declarer, ruffed the second diamond with dummy's ♥4
- T3-4 Declarer cashed the top two trumps, ♥AK but when West discarded a diamond, declarer knew he was in trouble, and had to rely on West having both the ♠K and ♠Q.
- T5-7 Declarer then cashed out the three top clubs ♣AKQ, eliminating them from both hands.

- T8 Declarer then led the ♠J from dummy which West took this with the ♠K
- T9 West again forced dummy by exiting with the ♦J. You ruffed this in dummy with the ♥8
- T10 You then played dummy's remaining trump ♥9 to East's ♥Q.
- T11 East now exited the ♣9, which declarer ruffed in hand ♥T. West dropping a ♦
- T12 You are at last in-hand for the critical spade finesse. When ♠3 to the ♠J lost to East's ♠Q, **declarer was down one trick!**
- T13 East returned a ♠8 to Dummy ♠A

At score comparison time, your teammates claimed they could not defeat the 4♥ contract!

NS Score (our table) = **-100**

EW Score (Other Table) = **-620**

Your team lost **-720, -12 imps** on the hand.

The full deal:

♦ 632	♣ 743	Dir: W
♣ 743		
4♥/S		
Lead ♦K		

Solution by the expert declarer at other table.

- T1 West leads the ♦K (Count request) against your 4♥ game. East showed odd number of diamonds.
- T2 At the other table, the expert declarer realised that he would need extra entries to hand if he wanted to take two finesses in spades, so he started with a high ruff ♥K on the ♦Q continuation.

- T3 The declarer then led a low trump ♥4 from the table. After his ♥7 held the trick (it is no better for the defence for East to rise with the ♥Q),
- T4 Declarer led a low spade ♠2 to the ♠6, ♠T and East's ♠Q.
- T5 East exited with his last diamond ♦T, which was ruffed low ♥8 in dummy.
- T6 Declarer cashed the ♥A,
- T7-9 Then followed up cashing the three top clubs. ♠AKQ
- T10 East was put on lead with a trump ♥9 to his high ♥Q and he could do no better than exit with the 13th club ♣9. Declarer ruffed this in hand and threw the ♠4 from dummy.
- T11-12 As expected, a spade to the ♠J finesse won, and thus declarer made 10 tricks after cashing the ♠A.

raise 3♥ (agreeing spades) and suggesting a good raise based on high card strength. Cue bids of Clubs and Diamonds led to a Keycard inquiry. North showed (2+♠Q as he held extra 5th spade length, so expected the ♠Q if out to drop).

South settled for a final 6♠ contract

Standard or 2/1 Bidding			
West	North	East	South (D)
			1♠
2♥	3♥	Pass	4♣
Pass	4♦	Pass	4NT
Pass	5♠	Pass	6♠
Bidding Notes			
1♠	Sound opening 19hcp 5+♠		
2♥	Vul Overcall 5+H		
3♥	Cue - Good raise in ♠		
4♣	Cue - Interested in Slam		
4♦	Cue - Co-operating		
4NT	Keycard (♠)		
5♠	2+♠Q the extra 5 spade =Q		
6♠	to play		

West started the defence with the ♥K lead

Preliminary Analysis

Top Tricks 5x♠+1♥+1♦+3x♣+♥ ruff=11

Losers: None, but the ♦K likely in West hand, so possibly 2 deep ♦ losers

Strategies for the 12th trick include:

- Clubs could break 3-3 else find the ♠J and make 4♣ tricks
- Or unlikely if East has ♦K, lead up to ♦Q

Declarer could count 10 top tricks, with an 11th to come from ruffing dummy's second heart. West was the favourite to have the ♦K for his vulnerable overcall, so it appeared that declarer would have to rely on making four tricks in the club suit to make his contract.

♣ AKT9	

Brett Manley

This bidding challenge was adapted from a **Brent Manly** article from the Bridge feed website.

A Time for Counting

The suggested bidding

South opened 1♠ with his exceptionally good 19-point hand, and then West made a vulnerable overcall of 2♥. Partner made a cue

Solution

You as Declarer showed that this was at best a half-truth.

- T1 You win the ♥K lead, dummy ♥3 with the ♥A as East follows with the ♥6
- T2 You cash the ♠K (both EW following with the ♠6 and the ♠8). Trumps are breaking 2-1.
- T3 You played a low trump (♠4) to dummy's ♠T. East contributed the last trump ♠9, and West dropped a small ♥.
- T4 You now ruffed dummy's last heart ♥3 in hand with the ♠7. This is good play technique to void both hands and threaten opponents with ruff discard situations.
- T5 You then cashed the ♠K in hand, and all followed (♣5, ♣2, ♣4)
- T6 Then you played the ♣9 to dummy's ♣Q. Again, all following (♣7, ♣Q, ♣6).
- T7 Your next move was a low club ♣3 from dummy. When East followed with the ♣8, declarer covered with the ♣T.

When the ♣T held, declarer claimed his contract, making five trumps, a heart, a heart ruff, the ♦A and **four clubs** for 12 tricks.

“That was a rather lucky guess in clubs,” said East. “Not at all,” replied declarer. “If the ♣T had lost to the ♣J, West would have had only red cards left and would have had to lead away from the ♦K or concede a ruff-and-discard by exiting with a heart”.

“Also, if West had started with four clubs to the jack, East would have shown out on the third round, and I would have won with the ♣A and then endplayed West with a club to his ♠J.” This again would end play the West hand, and I get the red card exit from the west hand.

Then declarer concluded his remarks with, "So, as long as West started with the king of diamonds, my plan guaranteed the contract."

The full deal:

	North	
	♠ AT532	
West	♥ 53	East
♠ 8	♦ A84	♠ 96
♥ KQJT74	♣ Q32	♥ 9862
♦ KJ62		♦ T97
♣ 75	South (D)	♣ J864
6♠/S	♠ KQJ74	Vul EW
Lead ♥K	♥ A	Dir: S
	♦ Q53	
	♣ AKT9	

On the hand layout a 6♣ contract can be easily made. But this scores poorly in match point scoring compared with 6♠ (920 v 980)

Challenge Hand 2

<table><tr><td>North</td></tr><tr><td>♠ 7</td></tr><tr><td>♥ AQ65</td></tr><tr><td>♦ J8</td></tr><tr><td>♣ K98542</td></tr></table>	North	♠ 7	♥ AQ65	♦ J8	♣ K98542	<p>Teams match vs Newcastle</p> <p>EW Vulnerable</p> <p>If South opens at 1 level, West will bid 1NT (15-18) with stopper</p>

The hand comes from a BBO friendly team's match NSBC vs Newcastle. The final contract was duplicated at both tables.

The best approach for a **strong 76** hand is to bid your longest suit and reverse (or just bid game) in your other suit.

So, South opens 1♦. You only have 12 hcp so the bidding will not stop. On this hand West will overcall 1NT (15-18) and a stopper.

Your partner (North) has a choice of bidding 2♣ (he has 2 diamonds tolerance, with his good 10 hcp) or doubling the 1NT bidder. Either way, south should press on to 4♠ which makes easily.

At the table, both North choose to bid 2♣ (5+ suit and competitive points). And both teams arrived in 4♠ contract very quickly.

Standard or 2/1 Bidding			
West	North	East	South (D)
			1♦
1NT	2♣	Pass	2♠
