CONDITIONS OF ISSUE AND USE OF MEMBERSHIP CARD

CLUB CARD CONDITIONS OF ISSUE AND USE FOR NORTH RYDE REWARDS

All cards are subject to the conditions set out below. Please take a moment to read these conditions as they are important and regulate your rights and liabilities. Please sign in the space provided at the end of this form to acknowledge that you have been issued with your card subject to these conditions.

- 1. Words used in these conditions.** We, us, our and our refer to North Ryde RSL Community Club Ltd. ABN 75 001 022 699. You and your refer to you, our member or patron who has been issued with or holds a club card. **Benefits** includes any awards, facilities, services or arrangements offered or available to holders of club cards from time to time. **Club card** means any membership, loyalty program, a reward program or other card which we issue to you or in your name.
- 2. Personal and non-transferable.** Your club card, and any benefits associated with the card, are personal to you and are not transferable.
- 3. Benefits.** Your entitlement to any benefit, if any, is subject to these conditions and also to our terms and conditions from time to time applicable to the particular benefit or the promotion under which it is made available. We reserve the right to terminate or materially alter the conditions relating to any benefit at any time. A benefit can not be sold, assigned, transferred or otherwise redeemed (whether for valuable consideration or otherwise), except in accordance with our conditions applicable to the particular benefit.
If in good faith, we deal with another individual who presents your club card or if we provide any benefit connected with your club card to another individual who presents your club card, then you release us from all consequences and lose your rights to that benefit. So it is very important in your own interests, that you keep your club card safe and that you promptly report to us if it has or may have been lost or stolen or if it has or may have been used by someone else.
- 4. Club Membership.** The issue of a club card does not confer membership of the club and holding a club card does not confer membership of the club.
- 5. Club's Constitution.** Club members remain bound by the club's constitution in addition to these conditions. If you are a member of the club, then your membership can be dealt with under the club's constitution, quite aside from whether or not you hold a club card.
- 6. Cancellation or withdrawal.** Either you or we may cancel any club card, either by the card being surrendered to or confiscated by us, or by notice in writing. If your club card is terminated by notice, or if you are a member but cease to be a member of the club, you must return your club card to us immediately.
- 7. Entitlement to a club card.** We reserve the right to refuse to issue a club card or a new club card, to you or anyone else, without stating a reason.
- 8. Period.** Your club card remains valid until terminated in accordance with these conditions or until any expiry date noted on the card, whichever is earlier.
- 9. Ownership.** Your club card at all times remains our property. However you are responsible for keeping your club card safe.
- 10. Taxes etc on benefits.** You must pay (or pay for us) any goods and services tax, stamp duty, tax and any other charge or impost which arises out of the issue of a club card to you or in connection with any benefit you obtain in connection with a club card.
- 11. Variation of conditions.** We reserve the right to amend these conditions at any time by adopting new or amended conditions. We also reserve the right to withdraw any benefit previously offered or made available in connection with your club card. We will endeavour to give you notice of any change either by writing to you or by a notice displayed at the club's premises, but a change is effective from the date it is made even if you are not notified. The only limitation is that we cannot change these conditions so as to retrospectively impose any obligation or liability on you.
- 12. Nature of the card.** Your club card is not a credit card. Neither your club card nor these conditions give you any proprietary right.
- 13. No liability for mistakes or errors.** You are not entitled to use or retain any benefit awarded by mistake or in error, in connection with your club card, even if you are not aware of the mistake or error at the time.
- 14. General.** You must produce your club card at any time on our request for identification, checking verification or any other purpose.
We are not liable for any loss or damage resulting from your non-use of your club card or from any change in these conditions or from the termination or withdrawal of your club card.
We have the right to keep data concerning you, including but not limited to data concerning your use of your club card, and to use and deal with that data as we see fit. Any notice that we wish to give you can be sent by post to your last mailing address known to us (even if we know that there is no longer anyone at that address and even if the notice is returned unclaimed), or given in any other manner permitted by the club's constitution for the giving of a notice to a club member. It is a matter for our discretion whether we choose to use the possession of your club card as a way of identifying you. If we mis-identify someone as you because they present your club card, you release us from the consequences.
We reserve the right to require you to produce your club card at any time in connection with any benefits offered by the club.
You must surrender your club card if requested at any time by a senior club employee even if we are not then proposing to cancel or withdraw your club card.
If you breach any of these conditions whether intentionally or otherwise, it is likely that we will cancel or withdraw your club card.
- 15 Dispute resolution.** If you believe that an error has occurred in any transaction in connection with your club card, then you should contact the club promptly and at least within 3 months. Aside from the other restrictions imposed by these conditions, we will not usually recognise any error or dispute which is notified outside that period. You should give your notification in writing.
I acknowledge receipt of this card, issued on the conditions noted above.
