2023 Monthly Winners

NSBC has resumed the Monthly Winners competitions that stopped at the start of the pandemic. What this means is more **masterpoints** are on offer for partnerships performing well in regular sessions each month.

What Are Monthly Winners Competitions?

These are month long competitions for each of our regular duplicate sessions and are designed to reward partnerships that perform well consistently during the month.

The minimum that you need to do is attend the same play session with the same partner at least three times in a calendar month and you will be included in that Months challenge for that session.

- Do I need to pre-enter? No!
- Do I need to pay more? No!
- Do I need to sit same seats or direction each time? No

What do I receive from Monthly Winners Competitions?

If you have performed consistently, with the same partner for three or more times in the same playing session during a calendar month then you will most likely receive extra masterpoints.

When do we receive our masterpoints?

These are calculated after the last session runs each month and the results will be posted along with our regular results on the website and on Pianola.

These masterpoints for the session Month Winner will be awarded at the end of the month along with regular session points. They will submitted to the ABF Masterpoint Centre for updating your personal Masterpoint Records. You should get to see these in the following month after processing. (about 3rd day in the Month)
