CLUB NOTICES

New to North Shore Bridge Club Pairs Congresses in 2025

We're excited to announce a change to our Congress events for 2025!

Instead of Restricted sections, we're introducing **Intermediate sections** to encourage more entries and make the events even better for you.

All players with under 750 Masterpoints will be eligible to play. Depending on the level of participation, we hope to offer both Intermediate and Restricted prizes – this will be determined by the number of entries.

Additionally, we have our special **Stratified Pairs** event this March! This unique format allows you to participate either **face-to-face** or **online** (or both). The event will take place over five Saturdays in March, with prizes available for four divisions:

- **Open**
- **Intermediate (<750 Masterpoints)**
- **Restricted (<300 Masterpoints)**
- **Rookie (<100 Masterpoints)**

Key details:

- Play all five sessions for the best chance to win, or a minimum of three with the same partner to qualify.
- Face-to-face sessions: 1:00 PM at East Lindfield
- Online sessions: 1:30 PM
- No entry is required – just show up at your preferred session! Visitors are welcome.

Mark your calendars and join us for an exciting year ahead at North Shore Bridge Club!

Mothers Day Swiss OPEN Pairs Congress on Sunday, 11 May 2025 10:00am

Online Pairs Congress on Sunday 11 May on RealBridge starting at 10:00. Generous prizes on offer.

Play with your Mum on this very special day and be in the the running for an extra special prize.

To enter this event please [click here](#)

Mothers Day Intermediate/Restricted/Novice Congress on Sunday 11 May 2025 10:00am

Online Pairs Congress on Sunday 11 May on RealBridge starting at 10:00. Generous prizes on offer.

Play with your Mum on this very special day and be in the the running for an extra special prize.

Exciting News for Rookie & Supervised Players! 🚀

We have some fantastic news for all Rookie players and any supervised players wanting to dip their toe into competition bridge!

Starting 2nd April, we're launching a brand-new Rookie session alongside our regular Open session at East Lindfield. To celebrate, all Wednesday morning games will be Red Points! 🎉

So grab a partner, save the date, and come and join in the fun! And to make it even better, the lovely Sue Crompton will be giving a free pre-game talk to help you get the most out of your session.

We'd love to see you there!

When: Every Wednesday morning from 2nd April

Where: East Lindfield

Bonus: **Red Points** & a free pre-game talk!

We welcome Fixed Income Solutions as a Sponsor

We are excited to announce that Fixed Income Solutions, a trusted name among bridge players throughout Australia, has joined North Shore Bridge Club as an official sponsor.

Fixed Income Solutions (FIS) AFSL. 399636 is a specialist financial services company providing direct access to fixed income markets for wholesale investors. FIS specialises in helping self-funded retirees and other conservative investors diversify their portfolios with defensive assets yielding between 5.0%-9.0%+ per annum.

We are thrilled to have Fixed Income Solutions on board to support our members and give back to the community through their generous sponsorship. They will be sponsoring the **Stratified Pairs in March**, a fantastic event catering to all levels—Rookies, Restricted, Intermediate, and Open—both online and face-to-face at East Lindfield.

In addition, Fixed Income Solutions will also sponsor **two events during our June Festival of Bridge**, further supporting our vibrant bridge community.

We sincerely thank Fixed Income Solutions for their generous contribution and commitment to supporting bridge players while giving back to the community. We look forward to a successful partnership and a fantastic year of bridge events together!

For those unfamiliar with bonds, they have a short education booklet that you can download here: [The Basics – Fixed Income Investing – Free Booklet](#). To see more about Fixed Income Solutions - [click here](#). If you need help or would like to chat to Declan, his details are below.

Community Bank
Lindfield & Districts

Play Your Cards Right – Bank with Your
Community Bank!

A Generous Sponsorship – Supporting NSBC & Local Banking

We are thrilled to announce that **Ku-ring-gai Financial Services**, operators of **Bendigo Bank Lindfield**, are now sponsoring our coffee cups at North Shore Bridge Club! 🎉

What truly impressed us about Bendigo Bank Lindfield is their strong corporate values—they give back a significant percentage of their **profits to the local community**. How good is that? A bank that genuinely supports the people around them! 🍷

Since 2003, put more than \$4 million back into the local community, supporting over 200 community organisations and charities.

Not only that, but their service is exceptional—they **know their customers by name**, offer personalised support, and you'll never be stuck talking to a call centre with scripted responses. If you value the personal touch in banking, I highly recommend them.

Next time you enjoy a cuppa at the club, take a moment to appreciate their generosity. ☕👏
Thank you, Ku-ring-gai Financial Services!

Let's support the businesses that support us. **A huge thank you to Bendigo Bank Lindfield for their generosity and commitment to the community!**

Bridge or Bowls

Some of our members "getting the knowledge" through the Introductory Bridge Lesson sessions were able to take advantage of Lindfield Bowlers Coaching staff and be introduced to Bowls as well as learning the intricacies of Bridge. Bowls is not my choice due to knees but the "newbies" looked pretty delighted at the option - pictured are; Andrew Mackenzie, Patricia Mackenzie, Magda Summerfield, Maryanne Galletti and Liz Niven

FROM THE PRESIDENT

I hope you're all enjoying your bridge and the wonderful community we have at **North Shore Bridge Club**.

A Generous Sponsorship – Supporting NSBC & Local Banking

Have you noticed the lovely new cups at East Lindfield and The Willis? These have been generously donated by Ku-ring-gai Financial Services, who own and operate Bendigo Bank Lindfield. Their support will save the club \$4,000 in costs for 2025, allowing us to allocate those funds towards improving the bridge experience for all members.

Michele and Sharon from Bendigo Bank will be visiting us on Thursday 6th March at lunchtime, come early to your Thursday afternoon session if you want to chat to them then.

This partnership is a fantastic example of local businesses supporting local community groups. Bendigo Bank Lindfield is not just any bank—it offers a genuine alternative to the big banks, with a personalised, call centre-free experience. If you've ever been frustrated by endless hold music or automated responses, you'll love the service they provide.

Fixed Income Solutions Expands Their Support for NSBC!

We are delighted to share that **Fixed Income Solutions** is continuing their partnership with NSBC! After sponsoring our **Festival of Bridge** last year, they will be **back on board for this year's festival**—and have also stepped up to **sponsor our Stratified Pairs event**.

Thanks to their additional support, we are able to **offer more generous prizes** and make the **Stratified Pairs** an even more exciting competition.

The **Stratified Pairs** is a unique event where you can **play online, face-to-face, or a mix of both**. Everyone plays the **same boards**, and results are **scored together**, making it a truly inclusive and flexible competition. Whether you're a **Rookie, Restricted, Intermediate, or Open player**, your scores are matched against others in your division, giving everyone a fair shot at winning.

This exciting event runs across **five Saturdays in March**, with your **best three scores counted** towards your final result. **It's fun, competitive, and now even more rewarding thanks to Fixed Income Solutions!**

Please support our sponsors, if you want good returns and a no hassle experience please copy and paste this link declan.cassidy@fixedincomesolutions.com to arrange a chat.

Declan will also be available to chat on Saturday 8th & 15th March at East Lindfield.

A huge **thank you** to Fixed Income Solutions for their ongoing commitment to NSBC. Let's show our appreciation by getting involved—**no need to sign up, just turn up and play, and be in it to win it!**

Metro North Interclub Pairs

Wishing the best of success to all those representing North Shore Bridge Club in the Metro North Interclub Pairs! May all your squeezes be perfectly timed, your finesses always succeed, and the cards fall in your favour. Good luck, and bring home the trophy!

Beginner Bridge Program SOLD OUT! 🎉

For the first time since COVID, our **Tuesday Beginner Class** has been so popular that we had to **stop taking entries**—what a fantastic milestone for the club! This is an area that has struggled to bounce back, so to be faced with this challenge was truly a moment of joy!

A huge **thank you** to everyone involved in **Marketing and Communications** for spreading the word so effectively, and an especially big shoutout to **Liz**—her incredible teaching and infectious enthusiasm continue to inspire glowing testimonials. Her ability to engage and entertain our beginners is simply outstanding!

This success is a team effort, and it's wonderful to see so many new players eager to learn the game we love. Let's keep the momentum going! Our **next Beginner course is now open for registrations**, so if you know someone who wants to learn, send them this link:

👉 <https://www.learnbridgeinsydney.com.au/introduction-to-bridge/>

Coffee Etiquette – Scan, Then Sip!

A little housekeeping note—our **barista-style coffee at East Lindfield is not free**. Each coffee is **\$2.50 per shot**, and you can **pay via the QR code** on the machine or in the kitchen, we have added more signs for your convenience.

This system runs on **honesty**, and I take responsibility for not communicating this more clearly. But if you've been helping yourself without paying—please **stop, scan, and then sip!** It would be a real shame to **lose the machine due to unpaid coffee**.

If you would like to pay for any unpaid coffees you can do so [with this link](#). Bookmark it to pay for future coffees, this will save you having to hassle the Director.

MASTERS OF BRIDGE

	Jamie Thompson
How Long have you been Playing Bridge	About 15 years
How Many Master Points have you earned (break down into Green/Red/Gold)	Around 3000. ~2500 gold ~450 red ~50 green
While you have a lot of Master Points you have more Red and Gold Points than Green Points — why is that?	95% of the bridge that I play is at the state/national level.
In which tournaments have you had the most success in last 5 years. Which events have you represented Club/State/Australia	I've done relatively well in national events. Regularly making the knockout stages of the Canberra and Gold Coast tournaments and a couple of wins in the VCC. I have represented Victoria on the youth and open teams and also Australia internationally on the youth and open teams.
What Conventions do you use when Bidding, over and above the 5 Standard Conventions	I don't play a lot of conventions but I am a big advocate for 2/1 GF (Game Force). Depending on the partner I also like transfer responses over 1C. Two-way checkback is another good one that I use with most of my regular partners
Which do you think are the most effective Bidding Conventions other than the 5 Std Conventions for: <ul style="list-style-type: none"> a. Rookies b. Restricted Players 	Rookies: Transfers to the minors and a better understanding of reverses. Restricted - Transitioning from regular Blackwood to Roman Keycard Blackwood and also from Standard American to 2/1, and Two-way checkback too.
Defense is about 50% of the game what tips would give to players to handle this part of the game	Listen to the auction! There are a lot of inferences and negative inferences that can be drawn. Don't automatically lead back what partner led. Make sure there is a reason for everything you do rather than just playing randomly. Always try to picture declarer's shape and points, it will help you construct the whole hand.
What Conventions do you use for Defense/How do you approach Defense	The three main conventions are count, attitude and suit preference. Which signal you use depends on the situation. A

	very simple signal to start off with is low encourage.
For New, Rookie and Restricted Players what errors do you most commonly see. How should they correct them.	The most common error I see is miscounting suits. Especially when drawing trumps. What a lot of people do is try to keep track of all 13. What I recommend is to only keep count of your opponents' trumps. For instance, in an 8 card fit you're missing 5 trumps. So keep track of 5 instead of all 13!!
What do you see as the best ways for players to improve their game	Playing at least 3 times a week and either with or against good opposition who are willing to go over the hands with you.
Do you try to work out what cards your opponents have <ul style="list-style-type: none"> a. During Bidding b. After the first lead How do you do that	During the bidding. Especially if I can anticipate if I'll be on opening lead. I want to have a picture of what the dummy and declarer's hands are before I lead. I listen to the auction and narrow down which suit I'd like to lead.

EXTEND YOUR BRIDGE KNOWLEDGE

EXTENDING ON THE FIVE ESSENTIAL CONVENTIONS - Stayman, Transfers, Strong 2 Clubs, Blackwood and Pre-Empts

As mentioned by Jamie Two Way Checkback is a convention worth getting to know. Eddie Kantar, a leading American player and teacher, pointed out the un-playability of standard bidding after a 1NT rebid by opener.

The options for partner are limited as there is limited knowledge of the composure of the Openers hand other than a minimum of 12 points to open. Thus Checkback in various forms was developed. As a first stage we will only initially look at Simple Checkback

After Opener opens the bidding with a suit, for the sake of convenience let's say 1C, Opps pass and you as Parter bid another suit, say 1 Heart. Opener then rebids 1NT, showing effectively 12-14 points balanced with no immediate fit.

Now you have 13 HCP in your hand and you know you should be bidding for game. Responder can use (by agreement with Partner) 2Clubs – Checkback – asking for more information. This is very similar to Stayman. Responder is seeking more knowledge of Openers hand.

Does Opener have 3 card support for the suit Responder bid the first time around and does Opener have four cards in any unbid Majors.

Openers Responses to the 2C Checkback in order of response are:

3 card support for Responders suit

4 cards in any unbid Major

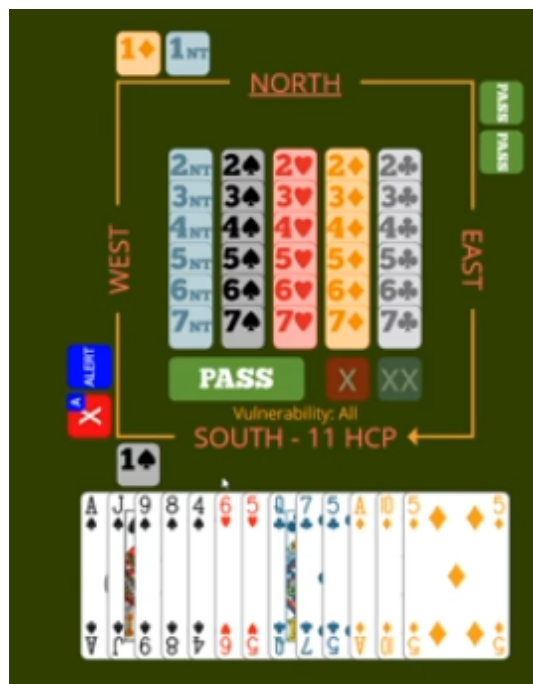

5 cards in the suit that they opened with in the first place (in this case Clubs) or – I have none of

the above – 2NT.

What happens next – Responder should now have a pretty clear idea of where to go and what bid will take them to game. Any new suit from Opener is forcing and 2NT is invitational and denying a fit.

Checkback is a protocol taught at NSBC and players are encouraged to go to lessons to understand the value of this playing option

The Hand to the right is typical of an opportunity to use Checkback
Opener has opened 1D, Opps have passed
Partner has responded 1S
Opener apparently does not have support for Spades and so bids 1NT - indicating 12-14 points
Partner has 11 points and is looking for game or at least a contract in a suit
Hence the response would 2C
"Opener tell me what you have" and from there the bidding can go to game potentially or at least to a contract in a suit

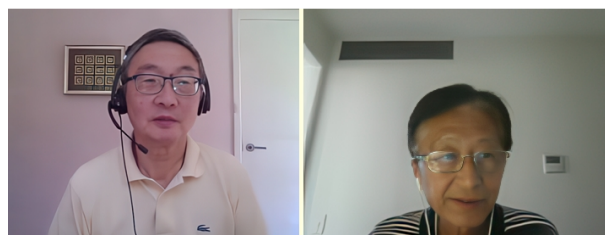

MAJOR RESULTS

Online Swiss Pairs Congress

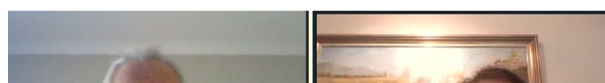

Congratulations to the winners, place getters and participants in the various categories in the NSBC Online Swiss Pairs Congress which was held on Sunday 16th February.

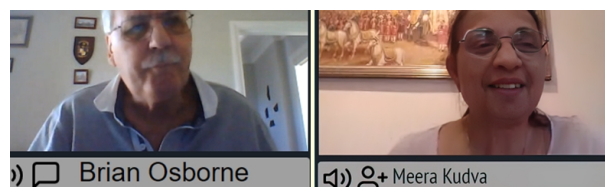

Well done Wayne Zhu and William Zhang who won the OPEN event and \$250.
Runners Up, Kelsey Chen and Sherlock Shao - \$200

Winners of the Intermediate: Dell Macneil and Adrian Beaumont - \$100

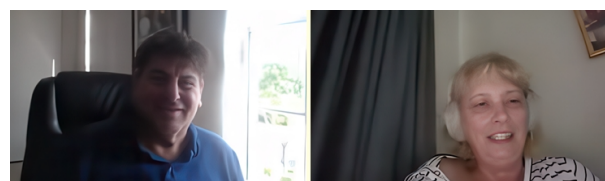

While the winners of the Restricted section were Brian Osborne and Meera Kudva - \$100

And the Novice winners Theo Armenis and Stella Jansen - \$100

The Mixed Pairs Championship

has just concluded and the winners were Peter Gill and Liz Adams - congratulations to the winners!

The Club Championship standings this year to date are as follows for each section - OPEN, INTERMEDIATE AND RESTRICTED

Rank	Player	CC Points to Feb 16	Events

LESSONS

Jamie Thompson is Back in the House!

We're excited to announce that **Jamie Thompson**, Australian bridge representative, NSBC Director and interviewed this month in "Masters of Bridge", will be making a **guest appearance** to teach a **special 2-hour face-to-face lesson** at **East Lindfield**!

This session is **perfect for Rookies and Restricted Players** looking to **gain an edge** and understand the **next step** in their bridge journey. It's also **a must for Intermediate players** keen to see how the **masters approach the game**.

Lesson Details:

East Lindfield

Date: 28th March

Time: 1:00pm – 3:00pm

Topic: Reverses and Awkward Bids

This could become a **regular event**, so don't miss this opportunity to **learn from one of the best**!

👉 **Register now:** [Sign up here](#)

	REVERSES & AWKWARD BIDS <i>with Jamie Thompson</i> Australian representative and NSBC Director	REVERSES Never heard of it! Don't know when to use it, learn how and when in the lesson		FRIDAY 1PM - 3PM East Lindfield Visitors welcome Book via website	
		AWKWARD 1C Pass 1H Pass and now what do you say? You don't like lying to partner, but			

John Newman's Lesson on Friday 14th March – Nearly Sold Out Again!

A big thank you to everyone who supported **John Newman's lesson** on **Friday 28th February**—we're thrilled to hear the **feedback was fantastic!** The great news is that **John will be back** to teach us again on **Friday 14th March** at **East Lindfield** from **1:00pm to 3:00pm**.

Lesson Topic: Many, Many Doubles

Winning players use **takeout doubles** all the time. They're **flexible** and help locate **major suit fits** when bidding space is tight. In this session, we'll answer key questions such as:

- ✓ **Which doubles are takeout?** (*Hint: Almost all of them!*)
- ✓ **Learn some new takeout double spots** to make your auctions simpler.
- ✓ **Which doubles are penalty?**
- ✓ **When is it more practical to bid a suit rather than double?**

John has also **researched the most common mistakes** made in **actual NSBC Rookie play**, and he's picked this topic because he believes it will **elevate your game to the next level**.

👉 **Sign up here:** [Register for John Newman's Lesson](#)

Let's take your game to the next level with **John's expert insights!**

DEAR DIRECTOR

My tip for this month. If you are going to Double your Opps for penalties (X) only do so if they don't have anywhere to run.

Board 17 Open Wednesday 19th Feb Face to Face East Lindfield

North has only 13 HCP but only 3 losers. So it is a toss up, some people may open 2 Clubs game force and now you will easily get to 6 Clubs or 6 Diamonds. There is some argument for opening 2 Clubs as you don't have Spades and the opps can bid over the top of you.

At our table the Opps (N) opened 1 Club. E (me) called 2 Spades. Opps (S) passed.

My partner (W) called 4 Spades. North passed. However with 2 good suits I think North should have called 5C (or 5D if S had responded to the opening bid of 2 Clubs. If that had happened, East/West may still bid to 5 Spades which makes

North		D	NV
♠			
♥		5	
♦		K Q 9 8 5	
♣		A K J 7 6 5 2	
West	NV	East	NV
♠	A K Q 10 3	♠	9 8 7 6 5 4
♥	K Q 4 3	♥	A J 8 2
♦	J 4 3	♦	7
♣	Q	♣	8 4
South		NV	HCPs
♠		J 2	
♥		10 9 7 6	
♦		A 10 6 2	
♣		10 9 3	
		13	
		17	5
		5	

to 5 Spades, which makes.

It is very hard for N/S to know what to do.

There were lots of interesting results from 5

Spades being doubled and making and 6

Diamonds doubled and making. This is why we keep coming back to Bridge!

Board 6 12th Feb 1.30pm Open Real Bridge

This is an amazing hand. A lot of pairs bid to 4 Spades and 5 Spades and did not make it. You need to make a plan for this hand. With these "wild" hands. Take a moment and work out what could go wrong. 6 Spades is a great contract.

One pair bid as below.

East Pass South 1D

West 1H North 1S

East 3H South 4S

West Pass North 6S

West lead the A Hearts

Trump the Ace of Hearts lead in N with a low S. Play to the Queen of clubs. The Opps (W) can trump this but you are still in control of the hand. You win any return with a trump by N. N now leads another Club and is trumped by S using an Honour. Opps now only have 2 trumps (W) and you can draw them with another two trumps leading from S with 4 S as the second trump then to get to Clubs in N by using Jack S over the 4 S and play the remaining clubs.

ASK GARY

Why is the Standard American system sometimes called SAYC or Yellow Card?

You may have heard the term The Standard American Yellow Card or SAYC. It is called "Yellow Card" because it was originally introduced by the ACBL (American Contract Bridge League) in a yellow booklet format. This booklet contained the guidelines and conventions of the SAYC bidding system, making it easy for players to reference during games. The colour yellow was chosen to make the booklet stand out and be easily recognizable.

Over time, the name "Yellow Card" stuck, and it became synonymous with the SAYC system. It's a handy tool for beginners and casual players, providing a standardised approach to bidding in bridge. In Australia we learn the same system however just call it Standard or Standard American (as we don't have the booklet) and FYI it is known as a green system worldwide (even in the US). I will talk about different base systems in future articles.

what's in the next article is up to you. So, if you have any questions or requests I will be glad to receive them.

MONTHLY WINNERS

Congratulations to the following players who were the overall Monthly Winners for their session.

East Lindfield Monday 10.00 AM Rookie - Garry King / Sarah King
East Lindfield Monday 1.00 PM Open - David Burton / Ivan Kerdic
East Lindfield Monday 7.00 PM Supervised - Joy Given / Neale Fraser
